

SCHULZE & PARTNER
P G m b H
Industrievertretungen VDI / SAE

Company

SCHULZE & PARTNER was founded in 1989.

We are an Industrial Manufacturers Agency mainly to the Heavy-Duty-, Steel and Automotive Industry and its System Suppliers.

We operate Europe wide through our own Subsidiaries / Sister Companies or with cooperating Partner Companies.

We are pleased to assist Manufacturers/Suppliers from Overseas in the European Market. This refers not only to market introductions of suppliers and their products, but also in helping to organize Joint Ventures, and cooperation's, finding potential partners or companies to buy; or simply to grow existing business.

We are accustomed to provide through our Group of Partners a complete Service, such as:

- ★ Introduction to our existing customers
- ★ Marketing of products to potential customers
- ★ Generating interest and enquiries
- ★ Engineering and production backup and support
- ★ Day to day issues such as deliveries/payments etc.

Our mission is to support Business who need a Presence for the purposes of Growing & Maintaining existing Business, Assisting in Technical Matters with Engineering and seek new Projects with Potential Customers in the Automotive and Heavy-Duty Industry.
